T. L. Smith and Albert Lewis, two young men who belong to Troop 1, Boy Scouts at Bay City, passed through the city yesterday afternoon en route to Hillsboro on a hike. The boys left home last Saturday morning at 5:10 and have averaged about 28 miles per day on their hike. They passed through the city about 6 o'clock and in conversation with one of them he said that they would make Benchley before they stopped as they had to travel in the cool part of the day. There is no wager upon the hike but they are just making same for the experience. They were dressed in regulation uniform and each carried his knapsack on his shoulder. Quite a lot of interest was shown the two young men as they strolled up Main Street going north.
